

## LMRSC 2016 Report

There were some specific incidents this season which led to referrals to the LMRSC and the executive committee and I have detailed them briefly below.

- Maghull were removed from the league by the executive committee for multiple rule breaches, including failure to fulfil a fixture and playing without sufficient players.
- Mawdesley 5 were awarded the match at Mawdesley 16-0 following a misrepresentation of facts on Formby 4's submitted score card.
- Birkdale 2, 3 and 4 were penalised 2 points per team by the LMRSC at the end of the season following consistent rule breaches regarding playing to strength.
- Aughton 1 and 2 were penalised 2 points per team by the LMRSC and scores amended to 0-16 0-16 for playing an unregistered and therefore ineligible player in the first team whilst fielding a full and eligible second team.
- David Lloyd have had one player suspended by the executive committee for 2 matches at the start of the 2017 season following a complaint from Carlton regarding conduct.

There is the intention to provide the league with a Code of Conduct. Please give it your full attention and ensure that everyone is aware of it and makes every effort to adhere to it.
